PSG COLLEGE OF TECHNOLOGY
DEPARTMENT OF PRODUCTION ENGINEERING ALUMNI FEEDBACK

How do you rate about the usefulness of the Programme BE Production Engineering in making graduates to become entrepreneurs?

87 responses

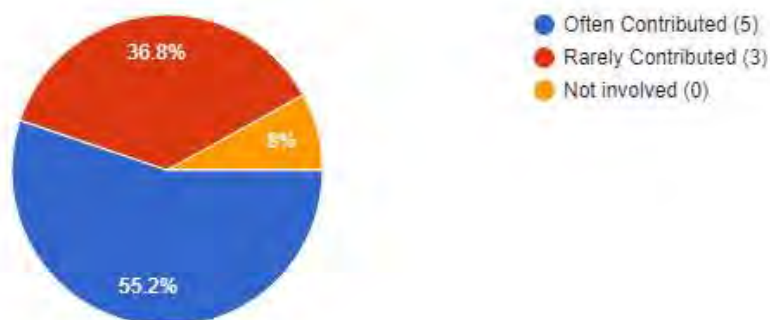

Have you pursued higher studies or enrolled in continuing education programmes or participated in employer sponsored education / training?

87 responses

Have you contributed towards innovation activities in your organization?

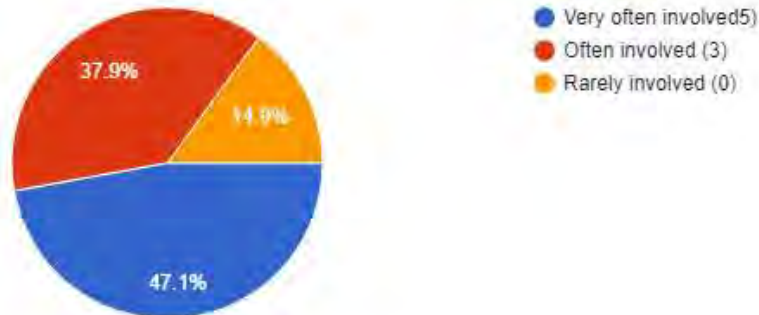

87 responses

PSG COLLEGE OF TECHNOLOGY
DEPARTMENT OF PRODUCTION ENGINEERING ALUMNI FEEDBACK

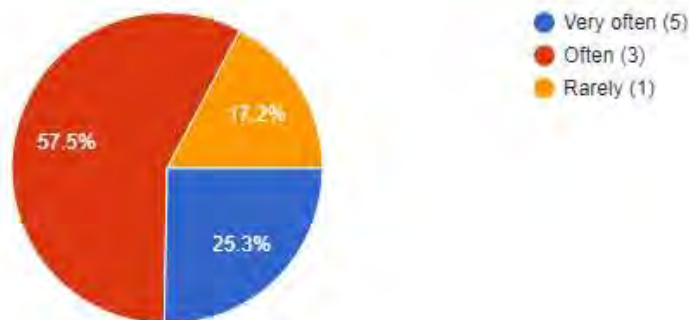

Have you significantly been involved in the improvement of the performance of process or product?

87 responses

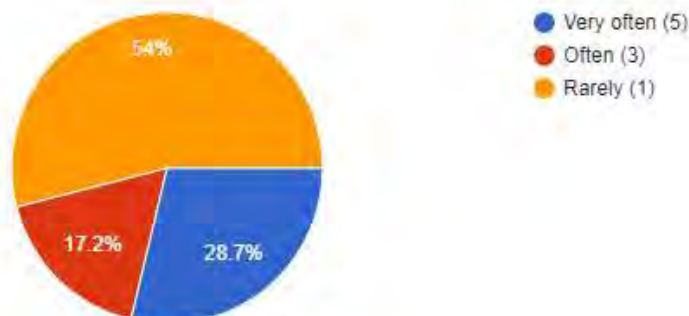

Have you undergone any training programme towards the use of new equipments and software?

87 responses

Have you been involved in ISO or any other quality systems in your organization?

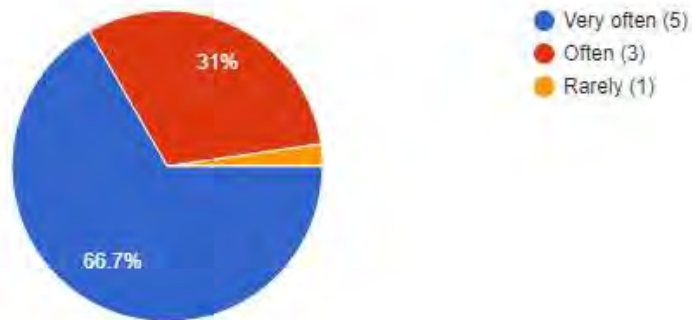

87 responses

PSG COLLEGE OF TECHNOLOGY
DEPARTMENT OF PRODUCTION ENGINEERING ALUMNI FEEDBACK

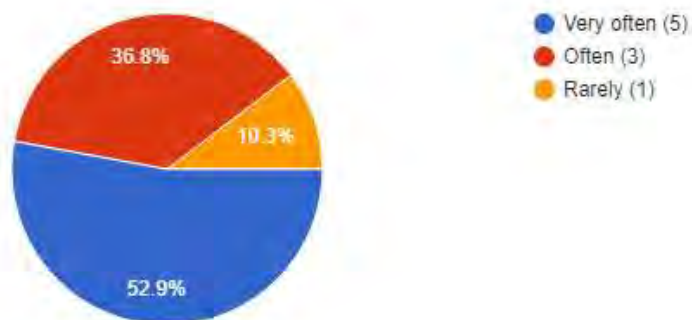

Have you been given responsibility to work in a group?

87 responses

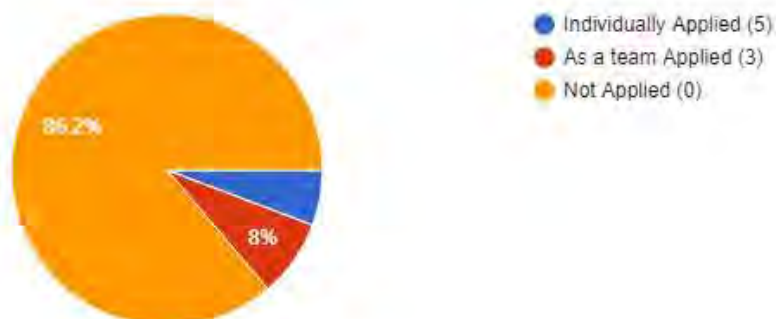

Are/Were you a part of an interdisciplinary project/task in your work?

87 responses

Have you ever applied for any patents towards societal development? (Ex. Special equipment/process for old-age people, children, environment, etc.)

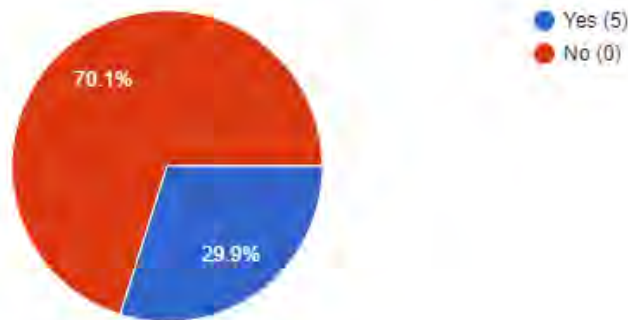

87 responses

PSG COLLEGE OF TECHNOLOGY
DEPARTMENT OF PRODUCTION ENGINEERING ALUMNI FEEDBACK

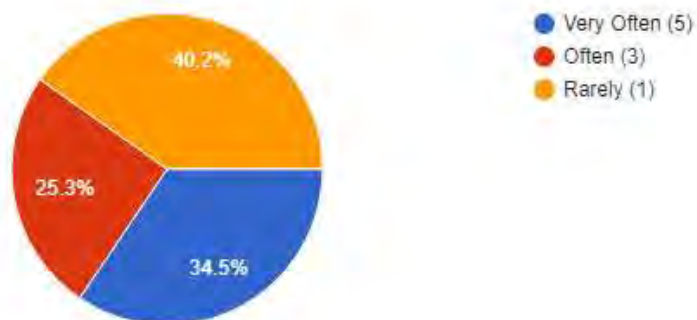

Have you upgraded your qualifications from global certification agencies?

87 responses

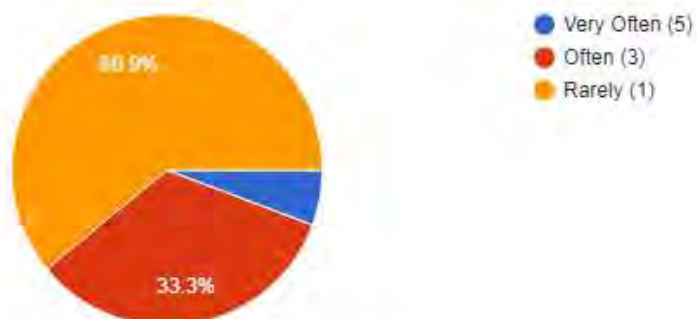

Are you working regularly with international group as a part your career?

87 responses

Have you been a part of conference/workshop/seminar/ advisory board/advisory committee? Ex. chairperson, resource person, etc.

87 responses

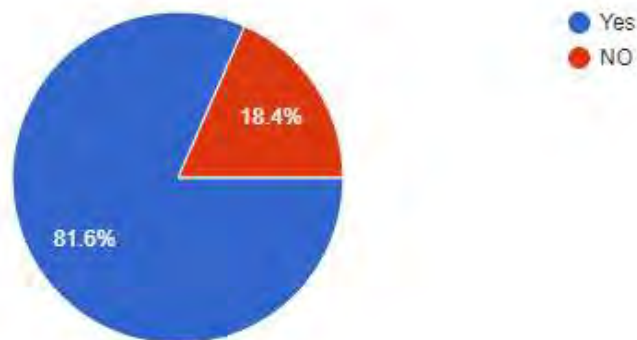

**SUMMARY OF ALUMNI FEEDBACK ON ACHIEVEMENT OF PROGRAMME
EDUCATIONAL OBJECTIVES – BE (PRODUCTION ENGINEERING)**

Number of alumni responded for feedback : 87

Year of Passing	Number of Alumni Feedback
1987	02
2004	01
2005	06
2006	02
2007	01

Feedback from Alumni of BE- Production Engineering (Regular and Sandwich) on Achievement of Programme Educational Objectives (PEO's)

PSG College of Technology, Coimbatore – 641 004
Department of Production Engineering

The information that you provide in this survey will help the Production Engineering Department to improve the quality of its under graduate programme B.E. Production Engineering. The department appreciates your response.

Program Educational Objectives (PEOs) describe the career and professional accomplishments that programs are preparing graduates to attain within a few years of graduation.

Uber Health Tech Pvt Ltd

Area of present position

- Manufacturing Engineering
- Industrial Engineering
- Quality Systems
- CAD/CAM/CAE
- IT Services
- Teaching
- Higher Studies
- R&D
- Others

Programme Educational Objective: To prepare undergraduate students for pursuing successful careers in manufacturing that meet the needs of industry, pursue higher studies and to become entrepreneurs.

How do you rate the suitability of BE Production Engineering programme to your current position?

- Excellent (5)
- Very Good (4)
- Good (3)
- Satisfactory (2)
- Just Useful (1)

How do you rate about the usefulness of the Programme BE Production Engineering in making graduates to become entrepreneurs?

- Excellent (5)
- Very Good (4)
- Good (3)
- Satisfactory (2)
- Just Useful (1)

Have you pursued higher studies or enrolled in continuing education programmes or participated in employer sponsored education / training?

- Yes (5)
- No (0)

Programme Educational Objective: To prepare the undergraduate students for improving/innovating manufacturing processes leveraging the fundamentals of basic science, engineering science, modern machines and equipment, relevant software packages and management principles.

Have you contributed towards innovation activities in your organization?

- Often Contributed (5)
- Rarely Contributed (3)
- Not involved (0)

Have you significantly been involved in the improvement of the performance of process or product?

- Very often involved (5)
- Often involved (3)
- Rarely involved (0)

Have you undergone any training programme towards the use of new equipments and software?

- Very often (5)
- Often (3)
- Rarely (1)

Have you been involved in ISO or any other quality systems in your organization?

- Very often (5)
- Often (3)
- Rarely (1)

Programme Educational Objective: To inculcate professional and ethical attitude, team work skills and multi-disciplinary approach in undergraduate students while solving problems and an ability to apply engineering principles for societal development.

Have you been given responsibility to work in a group?

- Very often (5)
- Often (3)
- Rarely (1)

Are/Were you a part of an interdisciplinary project/task in your work?

- Very often (5)
- Often (3)
- Rarely (1)

Have you ever applied for any patents towards societal development? (Ex. Special equipment/process for old-age people, children, environment, etc.)

- Individually Applied (5)
- As a team Applied (3)
- Not Applied (0)

Programme Educational Objective: To prepare the undergraduate students for global manufacturing/related activities by providing a learning environment which will impart excellence in engineering education, good communication skills, leadership qualities and a desire for lifelong learning.

Have you upgraded your qualifications from global certification agencies?

- Yes (5)
- No (0)

Are you working regularly with international group as a part your career?

Very Often (5)

Often (3)

Rarely (1)

Have you been a part of conference/workshop/seminar/ advisory board/advisory committee? Ex. chairperson, resource person, etc.
